**MERCURE**  
HOTELS

## What are the current Covid-19 restrictions for weddings?

From 21st June – 19th July, couples can have socially distanced weddings but there is no longer a cap on how many guests you can invite.

The number of guests you can have now depends on how many guests your wedding venue can accommodate with safe social distancing measures in place.

We have contacted all couples with weddings from 21st June – 19th July.

If you have an event or prom booked with us during this time then we will be in touch in due course.

## How many people can I invite to my wedding?

To ensure safe social distancing, our Park Suite can host up to 52 guests for your wedding ceremony and up to 80 guests for your wedding breakfast and evening reception.

## Am I allowed to dance at my wedding?

Under the government's current guidelines, only first dances are allowed and no indoor dancing is permitted.

## Do I need to wear a face covering?

Yes, you will need to wear a face covering, and the only exception to this is when you are eating or drinking.

## Are there social distancing measures on the hotel's grounds outdoors?

You and your guests are welcome to socialise outside on our grounds which are accessible through our Park Suite.

However, when you are indoors you'll need to remain seated when eating and drinking.

## Has your wedding venue completed a risk assessment?

Yes, Mercure Bristol North The Grange Hotel has completed assessments to ensure we can safely hold weddings.

## Do you have hand sanitiser available for guests?

Yes, sanitisers are conveniently located next to reception and inside the Park Suite. We ask all guests to sanitise their hands on arrival and when they're leaving.

## Will I have to get a vaccination or take a lateral flow test prior to attending a wedding at the hotel?

No, we don't require anyone to be vaccinated or to take a lateral flow test.

However, if any of your guests have symptoms of Covid-19 or have been contacted by Track and Trace they cannot attend the wedding.

If you have symptoms or have been contacted by Track and Trace please contact us as soon as possible.
